

SUGGESTED RESOURCES

Burton Blatt Institute

<http://bbi.syr.edu/>

The Burton Blatt Institute, located at Syracuse University, is a premier organization to advance civic, economic, and social participation of persons with disabilities in a global society by creating a collaborative environment—with entrepreneurial innovation and best business practices—to foster public-private dialogue, and create the capacity to transform policy, systems, and people through inclusive education, the workforce, and communities.

Disability Civil Rights Law and Policy (2004)

By Peter Blanck, Eve Hill, Charles D. Siegal and Michael Waterstone

http://bbi.syr.edu/publications/DLP_treatise.htm

This book examines the basis of discrimination against people with disabilities, including the history of such discrimination and a review of studies that explore why people engage in this sort of discrimination. It examines the federal laws that culminated in the passage of the Americans with Disabilities Act (ADA). The book describes the ADA's definition of disability, how it has been interpreted and studied, and then reviews the three major titles of the ADA, including a review of the remedies available for various ADA claims and the procedures required to pursue them.

Emerging Disability Policy Framework: A Guidepost for Analyzing Public Policy. (Iowa Law Review, August 2000, Vol. 85/No.5)

Robert Silverstein

This article provides an emerging disability policy framework that can be used as a lens or guidepost to design, implement, and evaluate generic, as well as disability-specific, public policies and programs to ensure meaningful inclusion of people with disabilities in mainstream society.
