Notice Under ADA

In accordance with the requirements of title II of the Americans with Disabilities Act of 1990 ("ADA"), RTD will not discriminate against qualified individuals with disabilities on the basis of disability in its services, programs, or activities.

**Employment:** RTD does not discriminate on the basis of disability in its hiring or employment practices and complies with all regulations promulgated by the U.S. Equal Employment Opportunity Commission under title I of the Americans with Disabilities Act (ADA).

**Effective Communication:** RTD will generally, upon request, provide appropriate aids and services leading to effective communication for qualified persons with disabilities so they can participate equally in RTD programs, services, and activities, including qualified sign language interpreters, documents in Braille, and other ways of making information and communications accessible to people who have speech, hearing, or vision impairments.

**Modifications to Policies and Procedures:** RTD will make all reasonable modifications to policies and programs to ensure that people with disabilities have an equal opportunity to enjoy all RTD programs, services, and activities. For example, individuals with service animals are welcomed in RTD programs and services, even where pets are generally prohibited.

Anyone who requires an auxiliary aid or service for effective communication, or a modification of policies or procedures to participate in a RTD program, service, or activity, should contact the RTD’s ADA Manager Ed Neuberg at edward.neuberg@rtd-denver.com or 303-299-2370, as soon as possible but no later than 48 hours before the scheduled event.

The ADA does not require RTD to take any action that would fundamentally alter the nature of its programs or services, or impose an undue financial or administrative burden.

Complaints that a RTD program, service, or activity is not accessible to persons with disabilities should be directed to the ADA Manager Ed Neuberg at edward.neuberg@rtd-denver.com or 303-299-2370.

RTD will not place a surcharge on a particular individual with a disability or any group of individuals with disabilities to cover the cost of providing auxiliary aids/services or reasonable modifications of policy, such as retrieving items from locations that are open to the public but are not accessible to persons who use wheelchairs.

**Scenario #2**

Beth, a teenager who is blind wants to participate in a horse riding program for youth offered through the City Parks and Recreation program. This program is on Saturdays which allows Beth to be with her friends and her age group. Beth’s only need for an accommodation is to be tethered to a guide or friend.

Parks and Recreation offers a riding program for kids and teenagers with disabilities on Tuesday’s and Thursdays. Parks & Recreation staff has asked Beth to participate in this program instead of Saturdays.

Scenario #3

• The local library parking lot has 26 parking spaces. There are two designated disabled spaces with an 8ft. wide unloading zone between them and vertical signage - the lot is ADA compliant.

• There is a very popular senior book club that meets in the mornings. The library would like to establish 5 more disabled spaces for the book club to help seniors and disabled.

• Do these 5 extra spaces need to fully comply with the ADA i.e. unloading zones?
Under the new ADA requirements service animals are required to be certified. Name one of the five national organizations that certify service animals.
