Designing Your Program

Build Your Blueprint!

- Rules and Regulations
 - Know your state laws
 - What are you fishing for?
 - What is the purpose? Competition/Recreation?
 - Equipment-does it interfere with independence?
- Venue
 - Accessible
 - Tents, Food, Water, Ice
 - Bait
 - Emergency Plans
 - Accessibility

6

Designing Your Program Continued

Fishing for Fun

- **Preplanning**
 - Find your spot (check for tournaments, accessibility, cost, safety, where to go)
 - Check the weather!
 - Check your rods and reels
 - Adaptive equipment/support
 - Know your bait.(make your own? Buy your bait)
 - Catch up on the rules and regulations-what can you catch and what is the limit?
 - Catch and Release(conservation)
 - Plan your trip-parking, drive time, lodging
 - License
 - Live well
- **Fishing**
 - Know your limits
 - Food and water
 - Right clothes
 - Etiquette
 - Enjoy

Location, Location, Location

How to find a good spot?

- Department of Natural Resources, Department of Fish and Game, Department of Wildlife Conservation, or equivalent website.
- Local county or state
- State and National Parks
- Ponds, Lakes, and Rivers
- Deep Sea fishing/Saltwater
- Word of mouth

Need to check all accessibility, laws and regulations, and size and fishing limits. Get prepared before you go!

10

10

Equipment

Do you need adaptive equipment?

- Work with a professional (recreational therapists, adaptive sports support, etc.)

What is available?

- Reel Gripper
- Rod Holder
- Turbo Set Rod Holder
- Wrist Band
- Wrist saver
- Alert Reels for Visually Impaired (beeps and lights up when fish bite!)

If you are just beginning fishing, take the time to determine if you need equipment. You may not need it and should be evaluated before purchasing. If you do not have a professional work with an adaptive fishing group to talk through equipment needs.

11

11

Bank Fishing

- Grass, Gravel, Dock-Know before you go. Prepare for surface-do you need assistance?
- Track Chairs-Necessary?
- Tent
- Water
- Food
- SPF Fishing gear
- All weather gear
- What bait? What Type of water(frog, worm, make your own)
- Safety First-First Aid Kit, charged cell phone, fishing buddy
- Know the rules and regulations of the fishing venue

12

12

Boat Fishing

Things to Know

- Hire a good guide or charter-Check them out before you go.
- Accessibility: lifts, ramps, water stairs
 - Rod holders
 - Seat Rod Holders
- Hand Controls-get training. Make sure it's a good fit for your boat.
- Always have a fishing partner
- Everything in working order!
- Wear your kill switch
- Fish in your chair-size of boat matters(sides of boats matter)
- Accessible Pontoon Boats

Safety first-make sure if you are hiring a guide or captain, they are familiar with people with disabilities and service animal needs.

Now Go Get Fishing!
