FOCUS ON COMPETITIVE INTEGRATED EMPLOYMENT

- Purpose of VR program clarified to increase competitive integrated employment
- Adopts definition from existing regulations

Competitive integrated employment means work performed on a full or part-time basis (including self-employment) for which an individual is:

1. Compensated at not less than federal minimum wage requirements or state or local minimum wage law (whichever is higher) and not less than the customary rate paid by the employer for the same or similar work performed by other individuals without disabilities;
2. That is at a location where the employee interacts with other persons who are not individuals with disabilities (not including supervisory personnel or individuals who are providing services to such employees) to the same extent that individuals who are not individuals with disabilities and who are in comparable positions interact with other persons; and
3. That, as appropriate, presents opportunities for advancement that are similar to those for other employees who are not individuals with disabilities and who have similar positions.
DEFINITIONS

CUSTOMIZED EMPLOYMENT (NEW)
- Competitive integrated employment for an individual with a significant disability based on strengths and abilities of the individual and negotiations with an employee and carried out through flexible strategies (examples listed)
- Flexible strategies includes job exploration by the individual and customizing a job description

DEFINITIONS (CONT.)

SUPPORTED EMPLOYMENT
- Retains current definition with an amendment concerning the aspect of the definition related to “working toward competitive integrated employment”
- The term means competitive integrated employment, including customized employment, or employment in an integrated work setting in which individuals are working on a short-term basis toward competitive integrated employment…
SUPPORTED EMPLOYMENT SERVICES

- WIOA modifies the length of time supported employment services may be provided by a VR agency without securing an extension from 18 to 24 months.

NEW MANDATES FOR YOUTH

- A State VR agency must reserve not less than 15% of its allotment for the provision of pre-employment transition services for youth.
- Pre-employment transition services must be provided in collaboration with local school districts and must include services such as:
  - Job exploration counseling
  - Work-based learning experiences
  - Workplace readiness training (social and independent living skills)
  - Instruction in self-advocacy
- WIOA also lists authorized (permissive) activities.
NEW MANDATES FOR YOUTH (CONT.)

- National Pre-Employment Transition Coordination—The Secretary of ED must support state agencies and coordinate with other federal agencies
- State Plan—must include strategies for providing VR services for youth
- Local Pre-Employment Transition Coordination—Each local VR office must carry out specified responsibilities, including working with schools and American Job Centers

NEW MANDATES FOR YOUTH (CONT.)

- Supported Employment (Title VI)
  - A State VR agency must reserve and expend half of its allotment for youth to assist those youth in achieving an employment outcome in supported employment
  - Title VI funds for supported employment may be used to provide “extended services” for a period not to exceed 4 years
ELIGIBILITY DETERMINATION

- Determination of eligibility for VR services must be done on an individualized basis and not based on an assumption that categorically excludes individuals within broad categories of disabilities.
- A determination of eligibility must be done based on clear and convincing evidence.

STATE PLAN

- Order of Selection - Permits the state to elect to serve eligible individuals (whether or not receiving VR services) who require specific services or equipment to maintain current employment.
- CSPD - modifies provisions relating to “appropriate and adequate training.”
- Extended employment - State must report information to DOL Wage and Hour Division for individuals in extended employment.
- Performance accountability requirements specified in Title I of WIOA (workforce development) apply to VR programs under Title I of the Rehabilitation Act.
STATE PLAN (CONT.)

» Coordination with Employers - Describe how VR agency will work with employers to identify employment opportunities and career exploration and provide TA regarding ADA requirements and job matching

» Coordination with State Medicaid Programs, ID/DD agencies, and mental health agencies to achieve employment in competitive integrated settings

» Coordination with Ticket to Work Program

LIMITATIONS ON THE USE OF SUBMINIMUM WAGE

» New procedures and requirements applicable to payment of subminimum wage

» Payment of subminimum wage to youth (24 or younger)

» Construction Clause

» Continued employment at a subminimum wage (regardless of age)

» Documentation and verification
