

ADA  AUDIO
Conference
ADA NATIONAL NETWORK

**Cognitive Innovations to Promote Independence in
the Home and in the Community**

June 16th, 2015

Presented by

Sandy Hanebrink

Director, Touch the Future, Inc.

The Session begins at 1:00 pm CST. We will be testing audio quality periodically

The content and materials of this training cannot be used or distributed without permission. This training is funded under award #H133AD050097 from the U.S. Department of Education through the auspices of the National Institute on Disability and Rehabilitation Research (NIDRR). For permission to use training content or obtain copies of materials used as part of this program please contact us by email at adata@adagreatlakes.org or toll free (800) 949-4232 (VTTY) in IL, IN, MI, MN, OH, and WI. For other all other states call (312) 413-1407

1

Listening to the Webinar

- The audio for today's webinar is being broadcast through your computer. Please make sure your speakers are turned on or your headphones are plugged in.
- You can control the audio broadcast via the Audio & Video panel. You can adjust the sound by "sliding" the sound bar left or right.
- If you are having sound quality problems check your audio controls by going through the Audio Wizard which is accessed by selecting the microphone icon on the Audio & Video panel

2

Captioning

- Real-time captioning is provided during this webinar.
- The caption screen can be accessed by choosing the  icon in the Audio & Video panel.
- Once selected you will have the option to resize the captioning window, change the font size and save the transcript.

3

 - Windows: Ctrl+F8
 - Mac: Command-F8
- Close Closed-Captioning window
 - Windows: Alt+F4 or Ctrl+W
 - Mac: Command-W

5

Listening to the Webinar, *continued*

MOBILE Devices supported include iPhone, iPad, Android Devices, Kindle Fire HD**

Individuals can download the free Blackboard Collaborate App from the Apple Store, Google Play or Amazon

**Closed Captioning is not visible via the Mobile App and there is limited access to the white board for individual's using voice over technology

6

Submitting Questions

- You may type and submit questions in the Chat Area Text Box or press Control-M and enter text in the Chat Area
- If you are connected via a mobile device you may submit questions in the chat area within the App
- If you are listening by phone the operator will give instructions for asking questions.

Please note: This webinar is being recorded and can be accessed on the website at www.ada-audio.org within 24 hours after the conclusion of the session.

7

Customize Your View

- Resize the Whiteboard where the Presentation slides are shown to make it smaller or larger by choosing from the drop down menu located above and to the left of the whiteboard. The default is "fit page"
- Resize/Reposition the Chat, Participant and Audio & Video panels by "detaching" and using your mouse to reposition or "stretch/shrink". Each panel may be detached using the  icon in the upper right corner of each panel.

8

Setting Preferences

- To adjust your system settings for visual and audible notifications or when other actions are taken by participants.
 - Select "Edit" from the tool bar at the top of your screen
 - From the drop down menu select "Preferences"
 - Scroll down to "General"
 - select "Audible Notifications" and Uncheck anything you don't want to receive and "apply"
 - Select "Visual Notifications" and Uncheck anything you don't want to receive and "apply"
- For Screen Reader User – Set preferences through the setting options within the Activity Window (Ctrl + Slash opens the activity window)

9

Technical Assistance

- If you experience any technical difficulties during the webinar:
 1. Submit a message regarding your issue via the chat area and the Moderator will address your concern via a private chat with you and/or refer it to one of the Great Lakes ADA Center IT Staff to contact you off line; or
 2. Email webinars@ada-audio.org; or
 3. Call 877-232-1990 (V/TTY)
